

Capability Summary

“Creating the Right Fit”

CBS-FLOW JV is an 8(a) joint venture agreement between Creative Business Solutions, Inc. and RGF Consulting Corporation (RGFCC) approved by the Small Business Administration, July 7, 2015. It is the result of a strong synergy between the two firms in terms of creating a variety of interrelated projects with similarities in philosophic approach. The dedicated aim is to bring greater value and benefits to our clients in the areas of financial services, logistical, administrative, conference planning, and facility support services; and to bring a heightened responsibility to information technology, risk management, business analytics, and contract administration. This relationship also harnesses the necessary assets of training, Janitorial services, products, and supplies.
